CHOOSE TO CONQUER THE CANCER THAT MATTERS MOST TO YOU.

*Please support me in The Rexall OneWalk to Conquer Cancer,
benefiting the Princess Margaret Cancer Centre.*

On September 9, 2017, I will walk to conquer the cancer that matters most to me. The funds I raise through OneWalk help to support Personalized Cancer Medicine at the Princess Margaret Cancer Centre, enabling their world-leading clinicians and researchers to detect cancers earlier, diagnose with more precision, target treatment for each patient and support patients and their families throughout the cancer journey.

Please help me provide groundbreaking research, treatment and support to those in need throughout the community and across the country. Sponsor me with a generous donation and help us conquer cancer in our lifetime!
